

MALAYSIA INTERNATIONAL DIVE EXPO 2024

"Embracing the Ocean's Majesty"

The 18th edition of the Malaysia International Dive Expo (MIDE) 2024 is scheduled to take place from 7 to 9 June 2024 at the Malaysia International Trade & Exhibition Centre (MITEC), Kuala Lumpur.

Themed "Embracing the Ocean's Majesty", the expo is set to welcome even more divers, businesses and water sports related professionals from around the world.

As a long-standing annual event, MIDE plays a significant role in promoting, growing and strengthening the dive community and businesses. A one-stop-hub for all things related to the water world including equipment, courses, travel, conservation, education, boating/sailing and other water sports, visitors will be able to connect with a host of local and international brands, while exhibitors will benefit from sales leads and increased brand awareness.

Established in 2006, MIDE has gained worldwide recognition as a prominent event in the diving industry, welcoming more than 220,000+ attendees over the last 17 years.

MIDE 2024 is now open for exhibitors' registration and warmly welcomes all dive business entrepreneurs and dive enthusiasts to be part of the "HOTTEST & COOLEST DIVE EXPO" that connects your business to the underwater world for exploration, education and enjoyment that continues.

Interested parties are advised to get in early to avoid disappointment.
